***SBHCs Make Quality Care Accessible!***

*It was 3:20 PM on a rainy day when SBHC Nurse Tiffany Bertrand got a call from Cecilia High School that a 17-year-old male student had just been struck by lightning while entering his car. Immediately, Nurse Bertrand, along with the SBHC Administrator, Angel Huval-Burbank, left the SBHC and rushed two blocks to find school staff members administering CPR to the non-responsive student. The first responder from the Sheriff's Department was retrieving an Automated External Defibrillator (AED) from his car. The student was shocked twice with the AED and Nurse Tiffany gave two rounds of chest compressions, before finding a pulse. The student was transported to the hospital in Lafayette with a pulse of 133. Thanks to the team efforts of Cecilia High staff members, the Sheriff Department's first responder and Nurse Bertrand the student survived the lighting strike and is doing much better.*
